# TERMS AND CONDITIONS

## **SNOWBOARD LESSONS:**

The instructor might not be responsible for accident intervened on courses practiced with legal authorization. As the instructor cannot check the level of each student as long as he did not see them riding, the customer is responsible for his technical level's choice. The instructor reserves the right to incorporate the student in a group more suited for his level. The consequence is to have more than 8 people in the group. The instructor can change the timetable due to a lack of snow.

## **INSURANCES:**

Each customer must ensure that they have an insurance which covers risks related to the practice of snowboarding on the ski slope and off ski slope. The instructor is covered by public liability insurance to the SIMS.

## **RATES:**

The rates are visible on the website and on the booking form. The rates includes teaching provided by the snow instructor but excluded any other services like insurance, ski pass and equipment.

## **BOOKING AND PAYMENT:**

To confirm your booking you have to fill in the booking form with the link on my website or send me your request by email. By booking you agreeing the terms and conditions. Your booking will be definitive upon receipt of the total amount paid with the booking form or the email confirmation. You can make payment by different means (check, cash and credit card).

## **RIGHTS OF RETRACTION:**

The delay of retraction is from 7 days after the payment until 3 days before the first day of the lessons. In this case the customer will get his refund.

## **CANCELATION AND REFUNDS:**

The deadline for cancelation is 3 full days before the start of the snowboard lessons. Exceed this deadline no cancelation will be taken in account and therefore no refunds or postponement will be accepted even in case of "absence" at the beginning of the lessons.

The instructor can cancel or stop the lessons depending on weather and safety conditions or for independent reasons of its will (ski slopes and ski lifts closed). Here, no refund can be proposed.

## **IMAGE RIGHTS:**

"Gives to Djé Snowboard permission to publish exhibit or disseminate or photographs and videos taken by Jérôme Granthil and representing me. This authorization is valid for all purposes (publications, website...). This authorization is valid indefinitely."

## **LITIGATION:**

Litigation must conform to French jurisdiction and to French law. The French version of this document is the only legal reference.
